CHAMBER Connection

Vol. 2, May 2025

Mike Cordero

from the PRESIDENT

Spring is in full swing, and with it comes a fresh wave of excitement and opportunity for our community. I'm thrilled to share a few highlights of what's ahead!

First, we're excited to welcome back one of our town's favorite traditions—the opening of the Farmers Market! It's more than just fresh produce; it's a celebration of local talent, small business, and the vibrant spirit of our community. Be sure to stop by and support our vendors—you'll be glad you did.

Lastly, mark your calendars for our 5th Annual Chamber Golf Outing! This highly anticipated, not to mention personal

favorite, event is not only a great way to enjoy a beautiful day on the course, but also a perfect opportunity to network, build connections, and support the Chamber's ongoing efforts. We have a 50/50 raffle available for purchase either at the outing or ahead of time from the Chamber staff or any member of the Board of Directors. The proceeds will go towards two scholarships of \$1,500 going to graduating seniors of Warwick area High schools. Whether you're an avid golfer or just in it for the fun, we look forward to seeing you on May 23rd at Great Gorge Golf Club!

Thank you for all that you do to make our Chamber and community strong. Here's to a season of **growth, connection, and sunshine!**

Stefanie Keegan

from the EXECUTIVE DIRECTOR

We are five months into 2025 and we are already off to an amazing start. So far we have brought on 21 new members in to our chamber. I think this speaks volumes about the growth and

change in Warwick and how so many people want to invest in our incredible community. For the third year in a row, we have given out 2 scholarships to graduating seniors for \$1500 each. To see the passion and drive these young kids have and the way they want to invest back into Warwick

is so inspiring. Our community really is a place where everyone can grow and thrive and it is great to see. Our golf outing will be happening on May 23rd—for a fifth year in a row we are SOLD OUT. The outing is a wonderful day and we are so lucky to have great hosts from Great Gorge and it is an awesome way to kick off your summer. Someone once said “summer should be fun” and the chamber is here to **make sure it is for you.**

**Jelena
Stamenkovic**

from the **EVENT COORDINATOR**

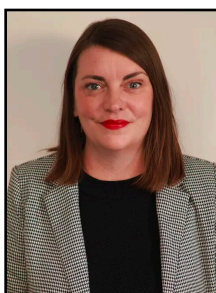

So, while no one has bought me a house with a sizable dining room just yet (still holding out hope!), you've all done something even better—you've made Warwick feel like home. If you caught a glimpse of our April calendar—or better yet, joined us for a few events—you already know it's been a busy, vibrant month! I'm incredibly grateful for those of you who've taken a moment to share kind words or feedback. It truly fuels the work we're doing.

Alongside our regularly scheduled networking mixers, we've been experimenting with new event formats this season—and the response has been fantastic. From our Lunch and Learns to the new Socials tailored to highlight our members' unique offerings, it's clear that these fresh ideas have found a place here. Even better? These concepts were sparked by you. Your input and collaboration are what help these events come to life, and

meeting more of you through these gatherings has been such a rewarding part of this journey. If you've got an idea brewing or feel inspired to host something yourself, I'm all ears—let's make it happen!

Looking ahead, May is Mental Health Awareness Month, and we're proud to be teaming up with Warwick Cares and the Community Center to host an Espresso Mixer on May 15th—a morning of connection with a meaningful cause. Later in the month, we tee off at our 5th Annual Golf Outing—a day of sunshine (hopefully!), camaraderie, and great raffle prizes in support of our High School Scholarship Fund. For future happenings be sure to keep tabs on our events calendar so you don't miss out!

Let's keep building something special together—one event, one idea, **one connection at a time.**

Mary Collura

from the **TOURISM COORDINATOR**

Our busy tourism season has expanded well past fall and apple picking season! Spring has our calendars jam packed with a variety of events and obligations. It is so nice to see the trees and flowers in full bloom at the same time we see more activity in our parks and streets.

We are still looking for volunteers for our Tourism Center, which is open on the weekends from 10:00 a.m. - 2:00 p.m. If you are interested, please email me.

We held our first successful "pop-up shop" with Rooster Tees during the Little League Parade. I was proud to wear my Warwick sweatshirt made locally and lovingly.

We were so happy to host our Ribbon Cutting and let everyone into our offices and Tourism Center. A beautiful addition is the Warwick mural, painted by local artist, Judy Pedersen. The Village of Warwick was awarded \$3,333.33 for this project through the 2024 Orange County Municipal Legislative Grant Program. The

mural was printed and installed by Raven Lake Studio.

If you attended our Ribbon Cutting, I'm sure you met my sweet little bestie, Sonia, and I'm sure she told you that it was her eighth Ribbon Cutting.

So here's how that happened...

Last Spring, before I worked for the Chamber, I was on my way to a local Ribbon Cutting when Sonia's mom asked if I could get her off the bus. It just made sense to take her with me. On our walk over, I explained to her who the Chamber is, what they do, what a ribbon cutting is and gave her the run-down of who would be there. She loved it. In the days and weeks following, she would ask me, "when's the next Ribbon Cutting?"

Sonia is no stranger to small business, her family owns Sonia's Restaurant and Deli in Merchants Square. She gets it.

Watching Sonia experience Warwick is a great privilege and brings me so much joy. As your Tourism Coordinator, this my biggest inspiration and reminder that it's all about **making personal connections.**

SNIP! HIP! HOORAY!

75 Main St., Warwick, NY

April 25

The big scissors officially cut the ribbon of 75 Main Street!!

We could not think of a better way than to have a great party, there is no way to put in to words the immense thanks that is owed to our sponsors Marie's Floral Designs for her incredible floral arrangements, Graze Warwick for a charcuterie spread that is the stuff of dreams, Mateo Eats for salads and sandwiches that were simply divine, our friends at Peck's Wines and Spirits that made sure we had all the bubbly to keep us going and truly celebrate this historic building. Our chamber photographer Narciscus Key of Key Studios ensured that we got a great shot of our staff, board members, and members celebrating this occasion.

Getting here was a true effort by many people. We could not have moved in without the support of Mayor Michael Newhard and the Village of Warwick Trustees, the invaluable support staff of the Village of Warwick, the incredible Village of Warwick DPW that renovated, painted and

made the building beautiful for us and assists us with so much to maintain this historic building. Our Tourism Center has an incredible mural painted by Judy Pedersen and funded through support of our Orange County Legislators. Our board members and chamber members made sure that we had all of the necessary upgrades to make this a great office- thank you to Tom Blaney and Chris Olert for our refrigerator, Alex McManus for our TV, Nikki G for our coffee station, the Warwick Historical Society for our water coolers, Doug Stage for our conference table, Jerry from Frazzleberries for our sideboard and Eileen and the team from Track 7 for our canvas print. Our Tourism Center is now open from 10am to 2 pm on the weekends, stop by and see the incredible mural and check out our plant installation made possible with help from our friends at The Village Bungalow with a bench from Kaliada.

SPRING SNAPSHOT SOCIAL AT SOHO SALON

March 25, 2025

We had so much fun creating and partaking in this event at Soho Salon. Not all our members are equipped to host After Hours Mixers but that doesn't stop us from tailoring an event that best showcases what our members have to offer! Soho Salon provided styling discounts and refreshments while Narciscus from Key Studios offered professional head shots to our members. Looking forward to our next head shot social!

LUNCH & LEARN

Leadership Philosophy Lunch and Learn with Lorin Mask

April 10, 2025

We had a great time hosting a Lunch and Learn with Lorin Mask where she guided us through discovering our own leadership philosophies. It was a pleasure to learn more about one another and ourselves through a variety of fun exercises. Of course the lunch portion of the afternoon was delicious thanks to Eddie's Roadhouse! Looking forward to more community building events like these.

CAREER DAY

April 10, 2025

This year career day was a huge hit. This annual event has grown and this year showcased over 30 vendors, many of whom we are proud to call chamber members! The event is hosted at the Warwick Valley High School for all grade levels and students from SS Seward Institute also joined. Career day is a great way to show kids how much Warwick has to offer them. There is such an array of businesses to showcase and let the students in our community know what is out there. We look forward to another successful career day next year and if you're interested in joining us, please let us know at: info@warwickcc.org

OPERATION CLEAN SWEEP

April 26, 2025

Operation Clean Sweep 2025 was held on April 26th, 2025. This event is a true community collaboration, with the help of Girl Scout Libby Schlichting, the Warwick Lions Club, the Warwick Valley Prevention Coalition and the Warwick Police department we were able to offer paper shredding, eyeglasses and hearing aid collection, sneakers and rubber cleats recycling, cell phone, battery recycling and textile recycling on site at the Chase Lot. Off-site our community partners Sustainable Warwick and the Town of Warwick DPW collected items with refrigerants, Leo Kaytes Ford accepted used motor oil and our friend the Computer Guy collected computers, e-waste and TVs. Even more exciting 30 residents used trash bags donated by WVT

and gloves donated by St. Anthony's Community Hospital to clean up their neighborhood. Town of Warwick DPW will be collecting the garbage picked up by our community members along the plow routes.

How to Cope with Market volatility

Given the concerns about tariffs, inflation and the economy, we may see some instability in the financial markets. As an investor, how can you cope?

Your best strategy can be summed up in one word: diversification. It can't guarantee profits or prevent all losses, but it can help you manage risk and market fluctuations.

Here's why: Different types of financial assets can move in different directions at any given time — so, stocks may be up while bonds are down, or vice versa. If you owned both

these types of assets, and others besides, your portfolio would likely fare better than if you only owned one type of asset and that asset was affected by a market downturn.

You can even diversify within individual assets. For example, you can find several different types of stocks, including domestic, international, large company and small company. And you can diversify your bonds by owning long-term and short-term ones.

How you diversify your portfolio will depend on your own risk tolerance, time horizon and financial goals — but however you do it, diversification should always be a driving force behind **your investment strategy**.

After Hours Mixers

Warwick Valley Gardeners

P.O. Box 562, Warwick, NY

Excitement is growing for our upcoming Garden Tour on June 28! As in years past, this beloved event will highlight a variety of inspiring gardens throughout Warwick.

In other news, WVG recently joined the Pollinator Pathway Beautification project, dedicated to enhancing habitats for bees and butterflies. We collaborated with Sustainable Warwick and other local groups to help remove invasive plant species from around the pickle ball courts at Mountain Lake Park. **The next step: planting more native species in that space.**

Warwick Humane Society

48 Public Works Rd., Warwick, NY

Warwick Valley Humane Society has managed the animal shelter since 1968. We now also assist residents with free temporary boarding for their pets when emergency situations arise such as hospitalizations, accidents and fires. Our organization organized and monitored the emergency evacuation site for people's pets during last November's Greenwood Lake fires. We've been caring for hundreds of animals from two hoarding cases, rescued over 70 starving adult cats from an abandoned home and saved several kittens that needed emergency medical attention. Members help us in our mission to care for our community's homeless pets. **For more information and to become a member visit wvhumane.org or call 845-986-2473.**

From sleek cabinets and shelving to bike racks and wall systems, we don't just help you get organized—we give you the tools to stay that way. Make room for what matters this season. **Let Rylex transform your garage into a space that works as hard as you do.**

Warwick Skatepark Initiative

POB 1319, Warwick, NY

The Warwick Skatepark Initiative is thrilled to share that we have received a generous grant from the Kosuga Foundation to fund the core construction of the park, however, to truly bring this vision to life and create a space that benefits the entire community, we still need additional support. Businesses and residents can purchase a paver, sponsor a key component of the park, make an in-kind donation or provide monetary support. Support will be used towards enhancements for the park including water fountains, benches and shade structures. For detailed information, visit warwickskatepark.org. **Your support will be greatly appreciated and recognized.**

Eddies Roadhouse

18 Main St., Warwick, NY

Eddie's Roadhouse turns 15 this year—a feat that in restaurant years is equivalent to surviving a bear attack, or a Shakespearean tragedy.

So come by. Wish Eddie a happy birthday—he's the one with the grin and the grease-stained apron—and raise a glass to one of the finest craft beers in the State of New York.

Pair that pint with a meal that reminds you why forks were invented. Lunch or dinner, Thursday through Saturday. And for those who believe breakfast is the most important meal of the day—Eddie's Roadhouse serves hot and heavy or light and hot Wednesday through Saturday. **Because 15 years is no small potatoes on Main Street, Warwick.**

Peach Grove House

1572 NY-17A, Warwick, NY

When we first stepped on Peach Grove House—a proud 1850 Greek Revival beauty with grand details, and a history etched in time—we knew we'd found something extraordinary.

Today, our mission is to lovingly preserve one of Warwick's most treasured historic homes while creating a warm, welcoming space for guests to celebrate life's meaningful moments. As dedicated stewards of this 1850 Greek Revival landmark, we aim to blend timeless elegance with heartfelt hospitality—offering unforgettable stays, curated experiences, and community-focused events that honor the past and embrace the future. **With every breakfast shared, vow exchanged, and story told, we strive to make all who enter feel like family.**

Sidewalk Sale

The annual sidewalk sale will be held this year on Saturday, July 12 from 10 a.m. - 5 p.m. and Sunday, July 13 from 10 a.m. - 3 p.m. in the Village of Warwick.

The sidewalk sale will feature local stores, local vendors, handmade items, home goods, jewelry, clothing, pet shop, kids activities and much more.

Come out and support your local merchants and enjoy a great day with family and friends!
